Dear Guest,

Thank you for deciding to stay with us. Please find below useful information regarding check in and how to find us:

Regarding check in, we have two options:

1. If you would like us to meet you in person at your arrival we use this opportunity to emphasize the fact that we need some time to get to the accommodation in order meet you and check you in. The best thing to do is to let us know your estimated arrival time in advance or to call/ text immediatiely when you land (or otherwise arrive) in Dubrovnik.

2. **FAST SELF CHECK IN** is also possible and highly recommended: our entrance door is equipped with electric code lock and you just need to type in the code we will provide you with and the door opens automatically.

The code will be sent to you 7 days prior to the arrival date

Your room key will be waiting for you in the lobby at the counter together with the Info letter and you can easily find your room. We can arrange the meeting for the same or next day at the time that suits you best for the check in formalities. Should you need any assistance please call us at **+385 99 8070 760 (Celenga House Manager)**
